

Notice to members – change in Directorship

Following the resignation of Director Stuart Bellingham, a casual vacancy has arisen on the Board of Directors.

We're pleased to announce that Monique Roklitzer has been appointed to fill this casual vacancy.

Monique has been BSP Advisory's Practice Manager since 2019. Before starting a family, she spent 10 years working in the superannuation industry in Sydney before returning to the South Coast in 2007, having grown up in Ulladulla.

Monique joined BSP Advisory in 2010 and now oversees the day-to-day operations of its three offices, including staff coordination, payroll support, internal processes and human resources matters. She also contributes to business planning and strategic initiatives across the firm.

Through her work and local connections, Monique has maintained strong engagement with the community. Her practical business experience, organisational skills and understanding of people, systems and planning make her a welcome addition to the Board.

In accordance with rule 32.2 of the Club's Constitution, the Board has appointed Monique to fill the casual vacancy. Monique will hold office until the next election for that position under the Club's triennial election cycle. I know you'll join me in welcoming her to the Board of Directors.
